
Simatic Wincc V7.2 Torrent

I have WinCC V7.2 installed on a Windows 7 PC. I need to upgrade my PC to Windows 10. Can I install WinCC 7.2 on Windows 10? If so, in what order? I read that WinCC V7 supports Windows 10 and V7i doesn't, but I also read that V72i can be installed and works on Windows 10. How to make the right choice between the two versions? Updating a PC to Windows 10 will take a long time because Windows 10 requires a lot of changes to work with it As I know WinCC V7 supports Windows 10 and I am using V7i version.
